

**IN THE MICHIGAN COURT OF APPEALS**

**ORDER**

Re: **In re Amanda Louise Thomas Minor**  
Docket No. **260117**  
L.C. No. **03-028180-NA**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The claim of appeal is DISMISSED for lack of jurisdiction because the order being appealed is neither a final order as defined by MCR 7.202(6), nor is there a statute or court rule that provides for an appeal of right from that type of order. The only order for which there was an appeal of right was the order terminating parental rights and as to that order this claim of appeal is untimely.
